

Marble Hall

Create, Connect and Collaborate

Workspace packages and services

The grade-two listed former Rolls-Royce building has been the subject of a £4m refurbishment to transform it into a vibrant managed workspace facility, with a range of complementary facilities.

Accommodation includes 42 high spec offices, ranging in size from 800 sq.ft – 1200 sq.ft

Tenants have access to superfast Internet and Wi-Fi connectivity, alongside on-site management, IT support and more.

We also offer a range of business services on a pay as you go basis, including, telephone call answering, mail sorting and handling, confidential shredding, mailshots and other services.

On-site café

Marble Hall is home to Claude's Café, an on-site kitchen and training provision, which is operated by YMCA Derbyshire.

Open to everyone in the local community, the café provides food at affordable prices.

A modern café with a vibrant atmosphere, Claude's is ideal for a morning coffee or lunch and a catch up with friends and colleagues.

Meeting & Conferencing Facilities

Marble Hall is the ideal location for business meetings and is available to tenants and external businesses.

Our facilities include digital screens, free superfast internet and WI-FI connectivity.

Tenants receive a quota of free meeting room usage (excluding seminar rooms at the iHub) every month after which time it becomes chargeable.

You can book meeting rooms across all our buildings.
